However, the School will abide by any court orders which prevent the release of such information.
- 8. The School may store personal information in the 'cloud' which may mean that it resides on servers which are situated outside Australia.

Such occasions would include where access would have an unreasonable impact on the privacy of others, where access may result in a breach of the School's duty of care to the pupil, or where students have provided information in confidence.
- 11. The School's Privacy Policy also sets out how you may complain about a breach of privacy and how the School will deal with such a complaint.
- 12. As you may know the School from time to time engages in fundraising activities. Information received from you may be used to make an appeal to you.
